

join our family & friends reference group

Applications are now open for our Family & Friends Reference Group

You'll get to contribute to the improvement of our centre's services, help us be family-inclusive, and work toward minimising community stigma around mental health and wellbeing.

more about the group:

- Meetings will be held twice a year
- You don't need to be currently supporting a young person engaged with headspace to be involved

contact

To join or for more info, email us at headspace.bankstown@flourishaustralia.org.au and put 'Family & Friends Reference Group' in the subject line
