

# Parent Information Session

## Topic: Alcohol and Other Drugs

**Presented by: Heather Marrapodi,**  
Clinical Nurse Specialist, St John of God  
Drug and Alcohol Withdrawal Network

As a parent, raising sensitive issues such as alcohol and other drug use and resolving problems that arise can be challenging, but there are a number of things that parents can try to support a young person.

Parents and carers are welcome to attend this free information evening to learn more about alcohol and other drugs, why young people use alcohol and other drugs, and ways parents and carers can decrease the risk of young people misusing these.

Got a question for the presenter but don't feel comfortable asking in a group?  
Email it to [info@headspaceospk.com.au](mailto:info@headspaceospk.com.au)  
to be read on the night
