## Your Experience of Service (YES) Survey

**The YES Survey asks your views on the quality of the services and care you have been provided by this organisation.**

This survey is conducted by the Western Sydney Primary Health Network (WSPHN), and will not impact negatively on your direct care by your service provider.

Your feedback will help us work toward improving your experience of services in the Western Sydney region.

This survey is voluntary and all information collected will remain anonymous. None of the information collected will be used to identify you.

Your service provider will not see your feedback or responses to this survey, so please use this opportunity to be honest about the service you have been provided.
